BARCELONA'S ONLY DEDICATED COMEDY CLUB

Established in 2021 by local comedians, as Barcelona emerged from lockdown and people needed a place to have a good laugh.

Located in the heart of Barcelona, close to the Santa Maria del Mar church in El Born.

We're open 7 nights per week, 364 days a year, with at least 2 shows per day.

We produce stand-up showcases, open mics, improv, format shows, and we run workshops.

Our shows are mostly in English, but also Spanish, Catalan, French, Italian, Russian, Hindi and more.

TESTIMONIALS

“We arranged a private comedy show for the team based in Barcelona and it was great! The host entertained the crowd with a few comments about the industry we’re working in, the show was adjusted to the size of our team and the jokes pushed the boundaries (discussed before and agreed on) just enough to have a fun start to the company Xmas social. It got us all hyped up for the rest of the evening - all the comedians and the staff were very welcoming and the service from booking to the end of the show was very smooth - very recommended”

- Tanya, Wunderman Thompson

“We booked 3 comedians to entertain our players and associates in a private players lounge event at the Barcelona casino. Their material and crowd interaction was spot on, and it was clear they’d taken then time to look into the world of poker as a topic for some of the gags.”

- Joe Stapleton, European Poker tour
